**Mission:** To build and sustain a national association that advocates for lactation professionals

**Vision:** IBCLCs are valued recognized members of the health care team.

March 31, 2009

To whom it may concern:

The USLCA the national professional association that represents lactation consultants in United States. We are the national affiliate for the International Lactation Consultant Association (ILCA)

To keep our association dynamically involved in national issues and state issues, we ask that you send us any news, information or correspondences relevant to our Mission and Vision statements, so that USLCA can respond promptly.

USLCA Headquarters
